Make a Picture Book

Write and illustrate a children's picture book that can be used to explain what causes day and night, and to explain what causes the sun to *appear* to move across the sky each day.

Your book should include:

1. A catchy title to grab the attention of the reader.
2. An accurate explanation and clearly labeled diagram showing what causes day and night.
3. An accurate explanation and clearly labeled diagram of what causes the sun to *appear* to move across the sky each day.
4. Simple text a young child could understand.
5. Colorful illustrations.

Be creative! Have fun!
