

## Science Journal Rubric

4	3	2	1
<b>Diagram of finished model:</b> -Is accurate -Includes all supplies used by student -Is labeled	<b>Diagram of finished model:</b> -Is mostly accurate -Includes all supplies used by student -Is labeled	<b>Diagram of finished model:</b> -Has some accuracy OR -Is missing a supply used OR -Partially labeled	<b>Diagram of finished model:</b> -Has many accuracies OR -Is missing more than one supply used OR -Not labeled

4	3	2	1
<b>Science Journal Entry:</b> -Demonstrates a thorough understanding of the effectiveness of supplies AND -Uses properties of supplies in explanation accurately	<b>Science Journal Entry:</b> -Demonstrates a basic understanding of the effectiveness of supplies OR -Uses properties of supplies in explanation but may be inaccurate or missing details	<b>Science Journal Entry:</b> -Demonstrates an incomplete understanding of the effectiveness of supplies OR -Uses properties of supplies in explanation inaccurately OR -Is missing explanation	<b>Science Journal Entry:</b> -Demonstrates no understandings of the effectiveness of supplies OR -Uses properties of supplies in explanation inaccurately OR -Is missing explanation
