

## Where Does My Waste Go?

<p>The difference between garbage and trash is</p> 	<p>A recyclable is</p> 
--	--

**When I use the following and then throw them out they would be examples of**

Garbage	Trash	Recyclable

**Illustrate or describe the waste stream that you researched and explain “where does my trash go?”**

I promise to reduce, reuse, or recycle by	This will help in waste reduction by
1).	
2).
