

Studying Severe Storms

Type of Weather	Description	Where does it occur?	How is it predicted?	How do you prepare?
<p style="text-align: center;">Blizzards</p> 				
<p style="text-align: center;">Hurricanes</p> 				
<p style="text-align: center;">Thunderstorms</p> 				
<p style="text-align: center;">Tornadoes</p> 				

How Do We Prepare?

Take Home Science

The severe weather event that I am talking about is....

What we do to prepare is.....

Why do we do this.....
