

# SCHOOL SOUND INVENTORY

## MATERIALS LIST

For each group:

- 1–2 iPads
- Decibel 10th app
- spreadsheet

## GOAL AND PREDICTIONS

To collect data to see what are the loudest and quietest areas of our school.

Prediction 1: I think that

---

---

---

is the loudest area in the school.

Prediction 2: I think that

---

---

---

is the quietest area in the school.

## HOW LOUD IS YOUR SCHOOL?

*My final claims based upon my evidence (data):*

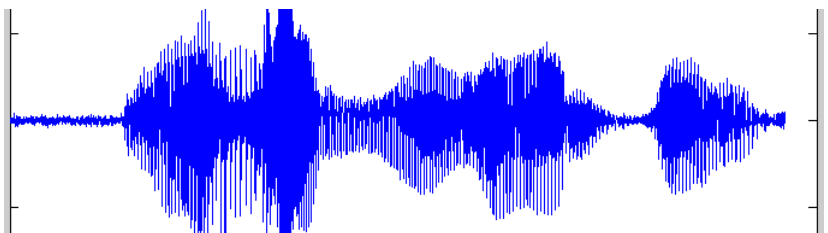

---

---

---

*My evidence is:*

---
