

## STEM-In-Action Grant –2<sup>nd</sup> Report

Congratulations again on being selected as a STEM-In-Grant recipient for the 2015-2016 eCYBERMISSION competition year. Your hard work and great ideas are truly benefiting you and your community. We would like an update on the progress on the implementation of your project findings. Please complete the information requested below and return to me at [mhartman@ecybermission.com](mailto:mhartman@ecybermission.com) no later than Wednesday, January 11<sup>th</sup>. Thanks!

1. Provide a detailed description of the progress your team has achieved so far in implementing your project findings into your community. This can be provided as a Word document. Ideally this would be a list rather than a narrative.
2. Provide an update of how the money provided has been used. Please use the provided *STEMinActionUpdate.Budget* document to itemize items purchased and money spent.
3. Provide any publicity your project has received since you began implementing your findings. If possible please provide:
  - a. A link to the website where the news item can be found (if available)
  - b. A brief description of any publicity including the date and the name of publication even if the link is unavailable.
4. Provide a list of any changes made to your original plan and justification of any changes.
