Develop Your Problem Statement

State your main topic from your chosen Mission Challenge

Write one or two subtopics from your group's internet or library research on your main topic

Add one or two possible viewpoints that could be further researched to your subtopics

Add one focus area to the subtopics and viewpoints

Select one subtopic + viewpoint + focus area to complete your problem statement

Refine the wording of your final problem statement

Time Period
Is it possible to focus on a specific time period for your group's topic?

Geography
Is it possible to focus on a specific place for your topic?

Demography
Is it possible to focus on a specific age group, ethnic group, species, or educational level for your topic?
