*The Board of Directors has established another category to convention registration, the Industry Representative. This category provides an option to those persons or companies who wish to attend NSTA conferences to conduct business. Such business includes interacting with manufacturers, dealers, and distributors; canvassing the exhibit hall for new items for a product catalog; holding sales or business meetings; etc. Business representatives who attend NSTA National conferences by any means other than through exhibiting will be registered as an industry representative at a fee of \$750.00. The fee is applicable to each person in attendance and must be paid in full prior to the conference. In addition to a registration lapel badge, Industry Representatives will also have access to hotel rooms in the conference housing block. The Industry Representative guidelines will be enforced through NSTA's security and registration systems.*
