

National Science Teachers Association
7th Annual STEM Forum & Expo hosted by NSTA
July 11–13, 2018 • Philadelphia, PA
Application and Exhibit Booth Contract

By submission (via electronically, fax or mail) of this signed booth contract, you are obligated to the attached Rules and Regulations set forth by NSTA. NSTA reserves the right to cancel any booth contract at any time. A deposit of one-half of the exhibit space rental is due at the time this contract is submitted.

COMPANY INFORMATION: For printed program, online floor plan and conference app.

Company: _____

Address: _____

City: _____ State: _____ Zip: _____

E-mail: _____ Web Address: _____ Telephone: _____

BOOTH INFORMATION (Booths are assigned in 10' × 10' increments):

SIZE: _____ ft. x _____ ft. Standard (\$1,295) Non-Profit (\$1,045) Island (minimum 20'x20')
 Per 10' x 10' Per 10' x 10'

NSTA does not guarantee the requested booth configuration (i.e., 10' × 20' with two corners, etc.). Space assignments will be made based upon: Amount of space required; postmark/online submission date of application; past participation in the National, STEM, and Area Conference expositions; participation in and support of other NSTA endeavors such as advertising in NSTA journals, conference programs, e-Newsletters, sponsorship; special requirements and general grouping of exhibits for proper comparison. NSTA reserves the right to change booth location and will notify you in writing if this occurs.

PLEASE SPECIFY COMPANIES AND/OR PRODUCTS YOU WOULD LIKE YOUR COMPANY TO BE NEAR TO OR AWAY FROM:

Near: _____

Away from: _____

*NSTA will do its best to meet the above requests, but cannot guarantee that all requests will be met.

GRADE LEVEL:

Elementary Level (K–5) Middle Level (6–8) High School (9–12) College

COMPANY DESCRIPTION: Please e-mail a 50 word or less description highlighting your company's products, services, or mission to be included in the Final Conference Program to Kim Hotz at khotz@nsta.org.

First-time exhibitor? Yes No

Will you sell merchandise in your booth? Yes No

Exhibit Booth Contract Additional Details and Rules and Regulations

The National Exhibitors Group Joint Committee adopted a series of rules and regulations designed to increase the quality of the exhibits at the National, Area, and Special Conferences of the National Science Teachers Association. Firms and organizations must agree to abide by these regulations when accepting space assignments of these expositions.

EXHIBIT FLOOR PLAN—All measurements shown on the diagram are believed to be accurate, but management reserves the right to make such modifications as may be necessary to meet the needs of exhibitors and the exhibit programs. NSTA will make every effort to arrange meeting sessions near the exhibit area. But NSTA reserves the right to change sites of meeting sessions to meet the needs of the conference.

RESTRICTIONS IN OPERATION OF EXHIBITS—Management reserves the right to restrict exhibits which, because of noise, safety, conduct of exhibitors, method of operation, materials, or any other reason, become objectionable and also to prohibit or to evict any exhibit which in the opinion of the management may detract from the general character of the exhibit as a whole. This reservation includes persons, things, conduct, printed matter, or anything of a character which the management determines is objectionable to the exhibit. In the event of such restriction or eviction the NSTA and management are not liable for any refunds of rentals or other exhibit expense.

LIABILITY—A) The exhibitor must surrender space occupied in the same condition as it was at the commencement of occupation. The exhibitor shall assume all responsibility for damage to the exhibit hall by reason of the exhibit and shall indemnify and hold harmless the exhibit facility, NSTA, and their representatives for all liability which might ensue from any cause whatsoever arising out of the exhibitor's participation in the exhibits or in conference activities. The exhibit facility, NSTA, and their representatives will not be liable for injuries to any person or for damage to property owned or controlled by the exhibitor, which claims for damage or injuries may be incident to, arise from, or be in any way connected with the exhibitor's occupation of display space, and the exhibitor, on signing the contract, expressly releases and indemnifies the aforementioned from any and all claims for such loss, damage or injury. B) Insurance Risk—Exhibitor bears the risk of loss due to the inadequacy or failure of any insurance or any insurer, including any insurance that may be provided by exhibitor, NSTA or the Conference Center. C) Consequential Damages—NSTA shall not in any event be liable to exhibitor for any consequential damages.

CANCELLATION DEADLINES—For contracts submitted prior to June 21, 2018, exhibitors will have **five (5) business days** after submission of contract to cancel without penalty. A \$500 cancellation fee will be assessed to registered exhibitors cancelling on or before April 6, 2018 if not within five (5) business days of contract submission. After this date, exhibitors are responsible for the full booth cost. If booth space is not occupied four hours prior to the exhibit opening, management shall have the right to use such space as it sees fit.

SERVICE INFORMATION—All services customarily required by exhibitors will be available and must be obtained through the official service contractors. No other contractors will be permitted without prior written approval. Complete shipping instructions and information regarding furniture and carpet rental, electrical work, plumbing, labor for erecting and dismantling exhibits, drayage, etc., will be forwarded to exhibitors in advance. A service desk will be maintained in the exhibit area.

EXHIBITOR ADMISSION—Each exhibiting firm will be entitled to register four (4) representatives without charge for each 10' x 10' booth space rented. Exhibitors will be billed \$100 for each additional representative. Complimentary registration's intended use is for the employees of the exhibiting company only. Exceptions are: nonscience educational companies, independent contractors, and science education companies with no more than five full- or part-time employees. Violation of the use of complimentary registrations will result in cancellation of the contract and forfeiture of payments.

RULES & REGULATIONS—Exhibitor recognizes and agrees that NSTA retains full power and authority to interpret and enforce all Rules and Regulations for the Conference, including the authority to amend or adopt new Rules and Regulations that NSTA considers necessary and proper for the exhibition. Failure to comply with these or any other regulations or amendments shall constitute sufficient cause for NSTA to require the immediate removal of the exhibit or offending exhibitor. This may result in forfeiture of all fees paid and the opportunity to exhibit at future conferences or exhibitions sponsored by NSTA. NSTA may lease any space so forfeited to another exhibitor.

A. General Regulations

1. NSTA management will provide necessary security personnel during the hours the exhibit area is closed. However, the exhibitor is solely responsible for his own exhibit material and should insure his exhibit against loss or damage.
2. Exhibit booths must be staffed during exhibit hours by persons who are well prepared to explain, courteously and effectively, all products and services on display. Each exhibitor must wear an official exhibitor's identification badge.
3. Management reserves the right to make modifications to the exhibit hours as may be necessary to meet program needs.

4. The exhibitor agrees not to dismantle or pack his/her display before the close of the exhibit. NSTA will assess the exhibiting company a **\$350 fee** for any booths dismantled, packed, or abandoned before the 3:00 p.m. teardown time. For exhibitors holding 300 square feet or more, the fee will be double.
5. It is understood that no rooms, suites, or other space in conference hotels will be used for exhibit purposes, workshops, or other exhibitor sales related use. Social affairs of all kinds should be scheduled not to conflict with program events.
6. The exhibitor agrees to abide by all state & local tax regulations. Exhibit management will advise of any tax requirements but each exhibitor is responsible for collecting and submitting payment of their own sales tax to the appropriate legal authority.

B. NSTA Booth Construction Guidelines

1. Exhibits must not project beyond the space allocated or obstruct the view of the exhibits of others. Reasonable effort must be made to provide space within the confines of the booth for interviews, demonstrations, distribution of materials, etc., so that visitors do not obstruct the aisles.
2. In straight-line exhibits, no solid construction will be permitted to exceed 4 feet in height except in the back half of the booth, where it shall not exceed 8 feet. For example in a 10' x 10' booth, solid construction above 4 feet must begin at least 5 feet back from the aisle line. Management reserves the right to grant exceptions for non-continuous construction or free-standing display items.
3. In island spaces—20' x 20', 20' x 30', or larger—the entire cubic content of the space may be used up to the maximum allowable height of 20 feet including signage. **Plans for island displays must be submitted to and approved by management 45 days in advance of the conference.**
4. Hanging signs cannot exceed 20' from the top of the sign to the floor. Hanging Signs only permitted above island booth spaces. Requests for height exceptions must be made in writing to the NSTA Exhibits Manager 15 days prior to first day of show move-in for approval.
5. Any part of the exhibit which does not lend itself to an attractive appearance, such as unfinished side or end panels, must be draped at the exhibitor's expense. Management reserves the right to have such finishing done, billing the exhibitor for charges incurred.
6. All decorations must be flame-proofed. All hangings must clear the floor. Electrical wiring must conform to the National Electrical Safety Code® rules. Exhibitors must comply with all city fire regulations.
7. Exhibitors, or their agents, shall not injure or deface the walls or floors of the buildings, booths, or the equipment of the booths. When such damage appears, the exhibitor is liable to the owner of the property so damaged.
8. Helium balloons are not allowed.
9. All booths must have carpet or floor covering. You may rent carpet from the decorator or provide your own flooring materials.

C. Limitations on the Use of Space

1. No exhibitor shall assign, sublet or share the space allotted without the knowledge and written consent of management. Exhibitors must show only goods manufactured or dealt in by them in the regular course of business. All exhibits, interviews, demonstrations, and distribution of materials shall be confined exclusively to the assigned booth and must be relevant to the exhibitor's products and shall not be made primarily to attract or amuse. Sufficient space must be provided within the exhibit booth to contain persons watching demonstrations and other promotional activities. Each exhibitor is responsible for keeping the aisle or aisles near his booth free of congestion resulting from his demonstrations or other promotion.
2. Musical instruments, radios, sound motion picture equipment, record players, or any noise-making machines shall be operated only at a noise level that will not interfere with other exhibitors or add unduly to general acoustic inconvenience. All such promotional devices must be approved by management 30 days prior to the exhibit opening and must be in harmony with any agreements entered into by the Association, the management of the hall, and applicable labor unions. Approval cannot be given, however, for the use of sound equipment for live demonstrations in booths less than 20' x 20'.
3. Distribution of items other than literature describing the company's product is discouraged. Such distribution is not expressly prohibited, however, if it does not violate standards of good taste or tend to introduce a carnival atmosphere.
4. Exhibitors must adhere to state and local laws regarding holding raffles in their booth.
5. No animals are allowed in the Exhibit Hall unless prior approval is granted by show management.
