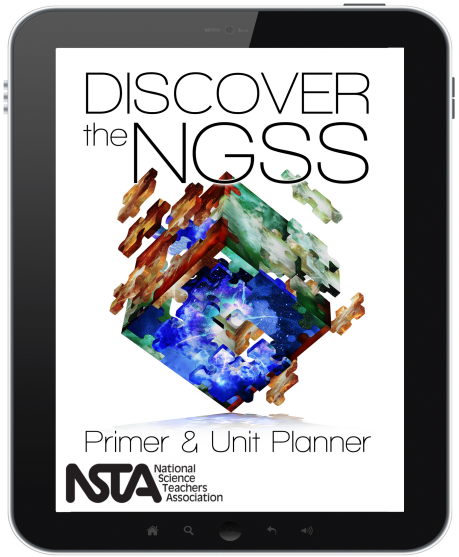
Instructions for Purchasing an Enhanced E-book

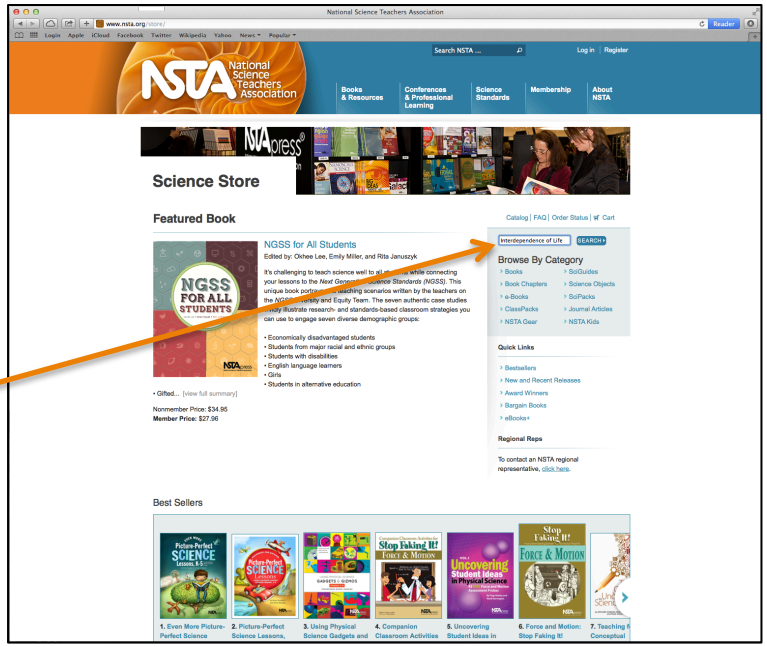
NSTA eBooks+
National Science Teachers Association



Go to http://www.nsta.org/ebooks for more information. If you have further questions, please contact ereader_support@nsta.org.

Finding an Enhanced E-book

Go to [E-books+ webpage] to view all available Enhanced E-books or go to the [NSTA Store] and search for an Enhanced E-book.

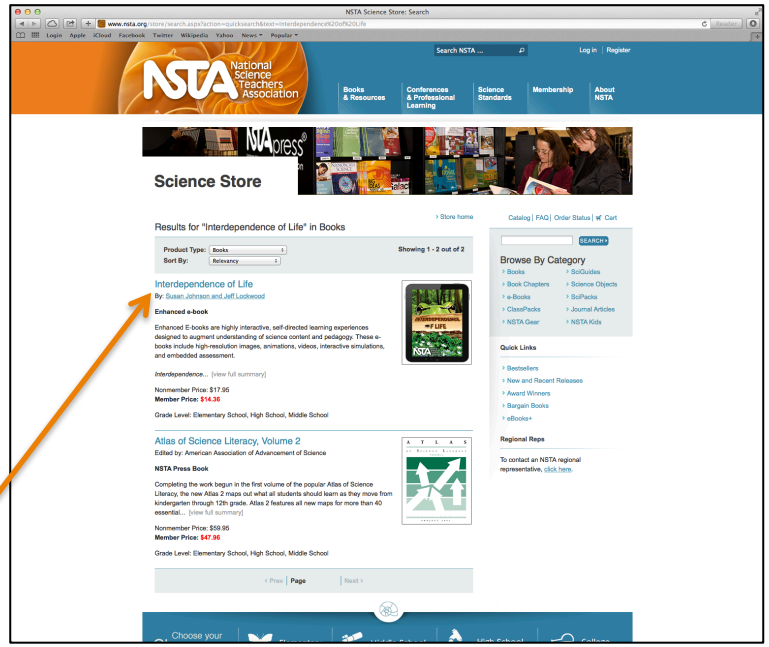


E-books: www.nsta.org/ebooks

NSTA Store: www.nsta.org/store

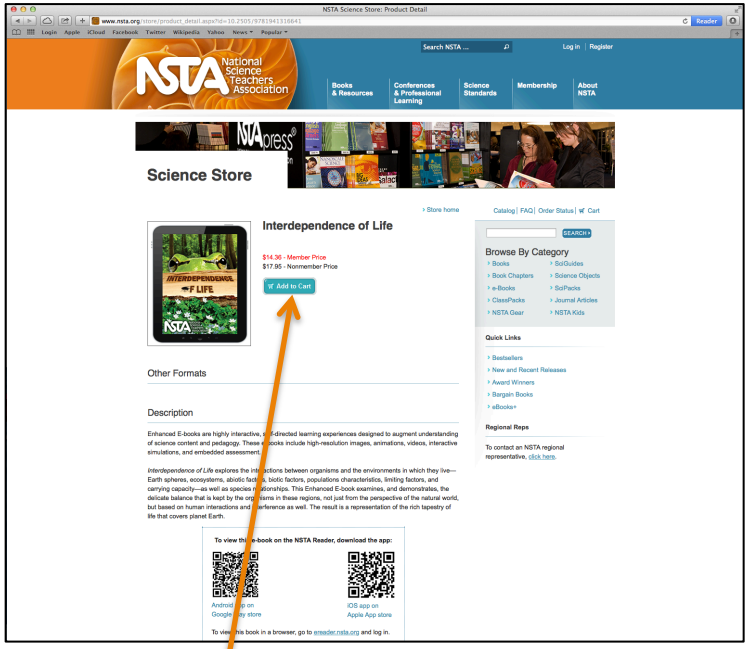
Note: You can view the e-books on a browser or on the NSTA Reader app. The browser and app won't recognize you until you've made your FIRST purchase an e-book in the NSTA store. After your first purchase, you'll be able to log into the [ereader@nsta.org] and the Reader app and they will both recognize you.

Selecting an Enhanced E-book



Select

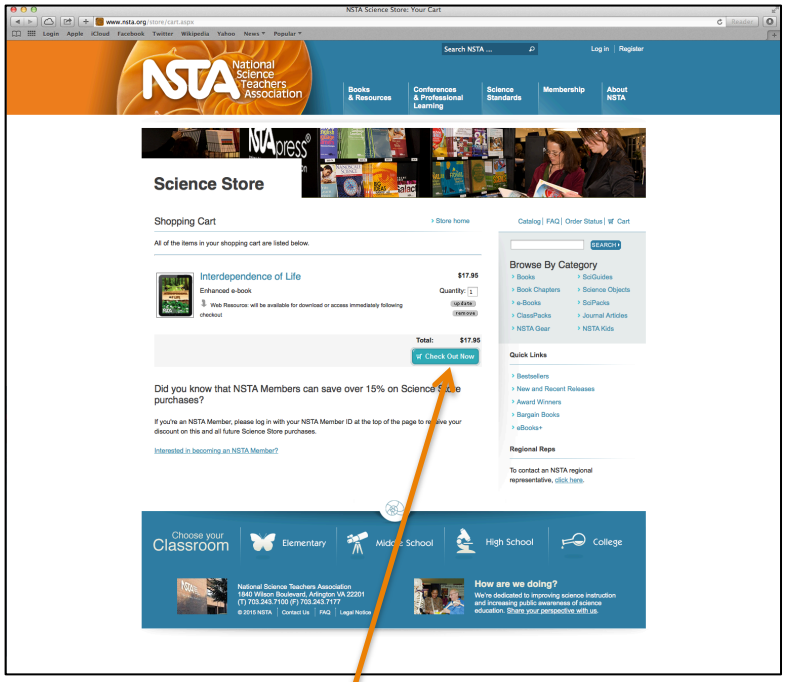
Select e-book title to learn more about the e-book.



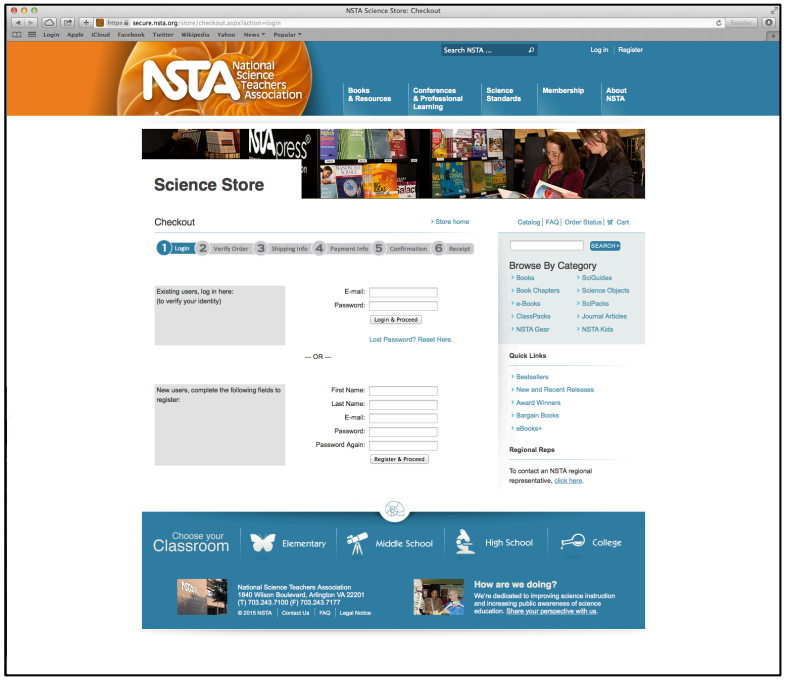
Select 'Add to Cart' button.

Remember, you will not be able to log into the NSTA Reader until you have purchased your first book.

Purchasing an Enhanced E-book

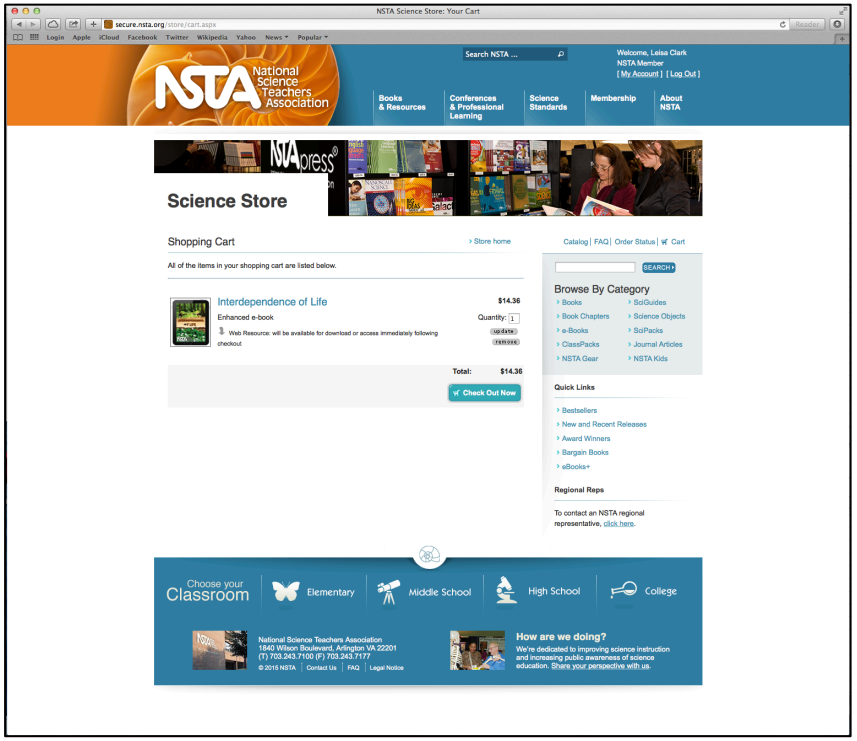


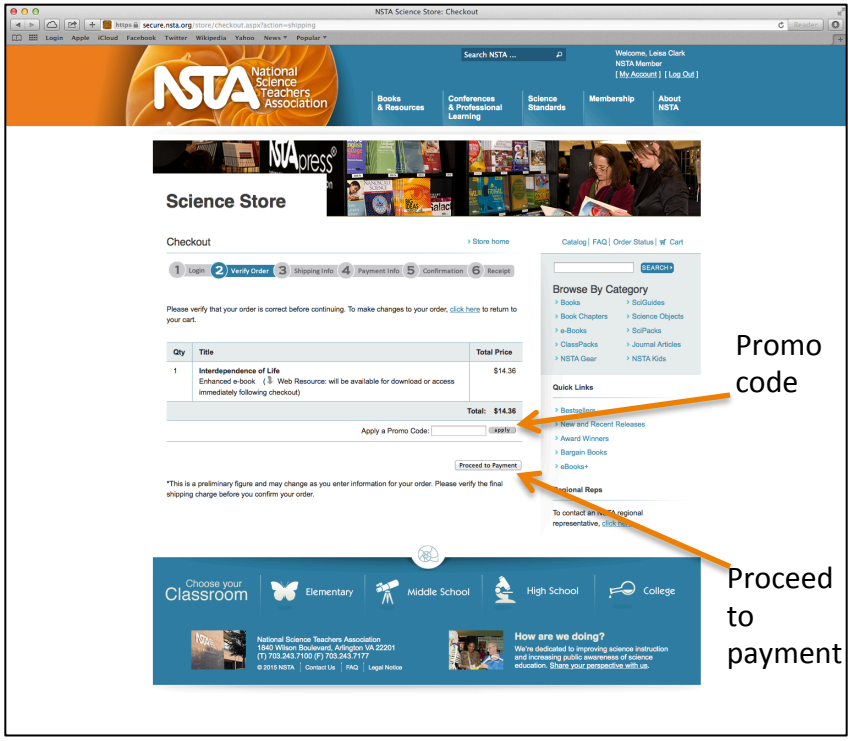
Select ‘Check Out Now’ button.



Log in or register. The email and password that you use on this site are the same ones you’ll use to log into the NSTA Reader.

Purchasing an Enhanced E-book (continued)





If you are an NSTA member and have logged in, you will notice that a 20% discount for the e-book is reflected in the price. If you aren't a member but would like to sign up and get the 20% discount, go to http://www.nsta.org/membership/

.

If you have a promo code, type the code into the box and select the 'Apply' button. If you do not have a promo code, select 'Proceed to Payment' button to complete your purchase. Once you have completed your purchase, go to NSTA Reader.

The next several pages explain how to access the NSTA Reader.

Instructions for Reading your Enhanced E-book

Instructions for viewing your Enhanced E-book online or offline using a tablet and the NSTA Reader app.

Pages 7 – 9

Instructions for viewing your Enhanced E-book online using Mac/PC/ Chromebook/tablet and a browser.

Page 10

Note: You can view the e-books on a browser or on the NSTA Reader app. **The browser and app won't recognize you until you've made your FIRST purchase an e-book in the NSTA store.** After your first purchase, you'll be able to log into the ereader@nsta.org and the Reader app and they will both recognize you.

Downloading the NSTA Reader App to your Tablet

- Open your 10” iPad or Android tablet.
- Make sure that the tablet is connected to the internet.
- Select the QR code or website address that matches your tablet.
- Follow iTunes and Google Play instructions to download the app.

Android

Opening an Enhanced E-book in the NSTA Reader App

Select the NSTA Reader app icon.

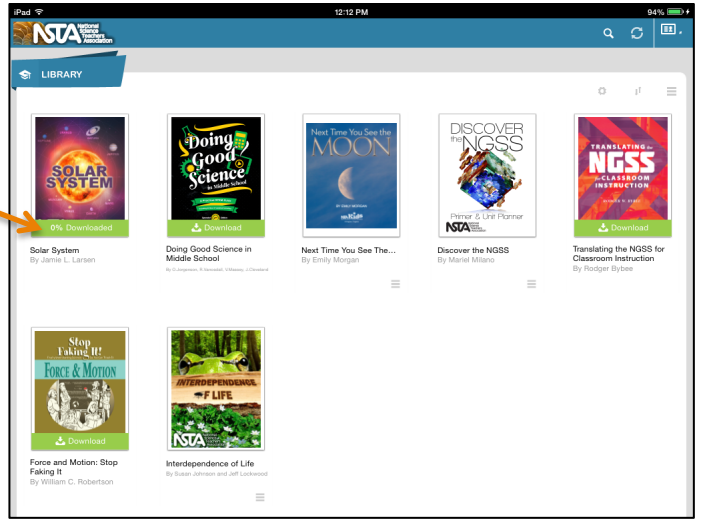
Log into the app using the same email address and password you used to purchase the e-book.

Note: If you've forgotten your password, go to http://learningcenter.nsta.org and look for the login area. You'll be able to reset your password from this webpage.

Opening the E-book in the NSTA Reader App (continued)

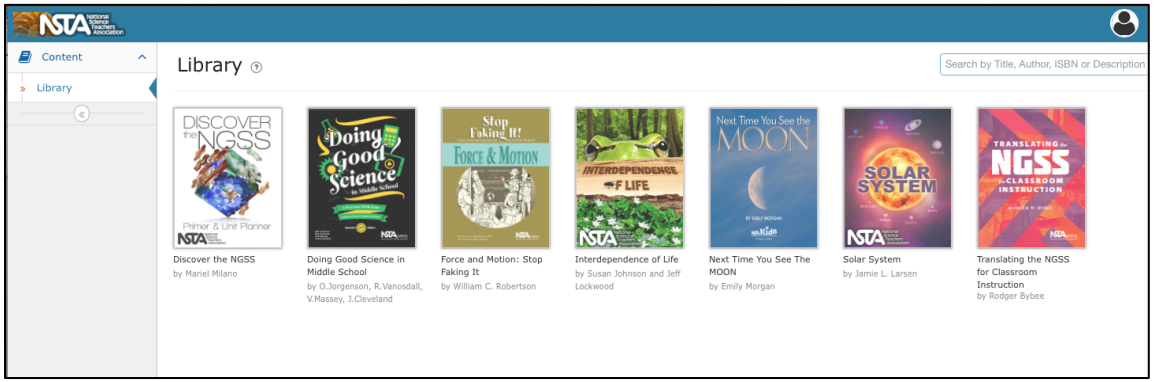
Select the 'Download' button. Depending on the size of the e-book, the download can take several minutes.

Once downloaded, select the e-book to open.



Viewing your Enhanced E-book on a Browser

- Select your favorite PC/Mac/ Chromebook and browser.
- Go to http://ereader.nsta.org.
- Log in using the same e-mail address and password you used when buying the e-book.
- Go to "Library."



Note: If you've forgotten your password, go to http://learningcenter.nsta.org and look for the login area. You'll be able to reset your password from this webpage.
