

"...students cannot fully understand scientific and engineering ideas without engaging in the practices..."

(NRC Framework)

NSTA'S VIRTUAL CONFERENCE

NGSS Practices in Action

SATURDAY, NOVEMBER 15
10 AM TO 6 PM ET

\$79 NSTA members

\$99 non-members

Register now for this intensive one-day virtual conference to learn how to engage your K-12 students in the critical science and engineering practices within the *Next Generation Science Standards*.

There will also be break-out sessions on

- Modeling
- Explanation and argumentation
- Engineering
- Grade-level and content-specific teaching strategies
