

Plant Survey

Our class is learning about plants in our science unit. We'd like to know more about the role plants play in your household. For each item below, please check the box marked "yes" or "no" to give us a better idea on your family's interaction with plants.

	YES	NO
1. We keep houseplants in our household.		
2. We maintain a vegetable garden in our household.		
3. We maintain a flower garden in our household.		
4. Plants have cultural significance in our household.		
5. Plants are important to our household.		

If you answered yes to number 5, please describe how plants are important to your family.

Please provide an email address or phone number if you'd be willing to talk with our class about plants in your family.
