

Claims & Evidence

During today's class, each group presented their claims and evidence relating to our big idea. **[What's our big idea?]**

Out of the **[How many groups presented their investigations?]** _____ investigations, I agreed with the ideas from **[How many groups did you agree with?]** _____ groups and disagreed with the ideas in **[How many groups did you disagree with?]** _____ groups.

I agreed with the idea that...

[What ideas did you agree with?]

1) _____

2) _____

because...

[Why did you agree with those ideas?]

1) _____

2) _____

I disagreed with...

[What ideas did you disagree with?]

1) _____

2) _____

Because...

[Why did you disagree with those ideas?]

1) _____

2) _____

I was uncertain about the ideas from...

[How many groups ideas were you "not sure" about?]

[Explain why you marked "I'm not sure]

1) _____

2) _____

3) _____

|

After listening to everyone's claims, I see that my claim is...

[Circle the one that represents your claims]

a) *Similar to*

b) *Somewhat similar to*

c) *Completely different than*

my classmates. This is okay because all of the ideas help me to understand our big idea

[What's our big idea?]

a little bit better.
