

Lesson Two Formative Assessment, Scoring Rubric, and Key Discussion Questions

**Formative Assessment:**

Draw an animal from the local watershed and a way in which it meets its needs.

**Scoring Rubric:**

| <b>Novice</b>                        | <b>Apprentice</b>   | <b>Proficient</b>  | <b>Distinguished</b>  |
|--------------------------------------|---|--|---|
| Unable to understand student picture | Student draws a picture of an animal that lives in the watershed without a description of how it meets its needs<br><br>OR<br><br>Students draws a picture of an animal that does not live in the watershed | Student draws a picture of an animal that lives in the watershed with an inadequate description of how it meets its needs. | Student draws a picture of an animal that lives in the watershed and describes a way in which it meets its needs. |

**Key Discussion Questions:**

What animals live in the local watershed?

What do animals need to live and grow?

How do the animals displayed in class meet these needs in the local watershed?
