

Name: _____

Pill Bug Observations

Draw a picture of your pill bug in the box below.

1. How many legs does your pill bug have? _____

2. What words would you use to describe the pill bug? _____

3. Observe your pill bug for 1 minute. Every 10 seconds record what it is doing in the table below:

Time	What the Pill Bug is Doing
10 s	
20 s	
30 s	
40 s	
50 s	
60 s	

3. See how your pill bug responds to the following actions.

What I Did	What the Pill Bug Did
Gently touched the pill bug	
Placed a dead leaf in the cup	
Placed a wet cotton ball in the cup	
Gently turned the pill bug on its back
