

The Forces at Work

Record your observations of what happens at each station.
Use the words below and arrows to help describe what is happening.

Push -- Pull -- Force -- Energy -- Gravity -- Friction

<p style="text-align: center;">Tug of War</p>	
<p style="text-align: center;">Play Ball</p>	
<p>Up in the Air</p>	<p style="text-align: center;">Play Ball Bowling Ball and Kick Ball</p>
	<p style="text-align: center;">Friction is a Force on Hard Ground</p>
	<p style="text-align: center;">Friction is a Force on the Grass</p>
