

How Animals Move

Let's Do One Together!

Animal: Dolphin

<i>Name a way the animal moves</i>	<i>Which body part helps them move this way?</i>	<i>How does the body part help?</i>
<i>It swims.</i>	<i>Tail</i>	<i>Moving up and down</i>

Your Turn! – Pick two different animals

Animal:

<i>Name a way the animal moves</i>	<i>Which body part helps them move this way?</i>	<i>How does the body part help?</i>

Animal:

<i>Name a way the animal moves</i>	<i>Which body part helps them move this way?</i>	<i>How does the body part help?</i>

Animal Charades

Draw a picture of the animal

*Make sure to label the body part you are going to talk about.
How does this animal move? Draw a picture, write a sentence.*

*What are two descriptive words you can use
to tell people about your animal and how it moves?*
