★ MOBILE AND PORTABLE LIVESTOCK SCALES ★

Enclosed scale includes two standard gates (your choice of gate opening hinge pin locations, specified at time of order)

Cattle blind so the operator doesn't upset livestock while operating the scale during the weight transaction

Durable steel cattle pens with UV-protected, baked-on tan powder paint

Low deck height of only 6 inches when in weighing mode

Weatherproof mobile weighing center (indicator and printer) is mounted to the exterior of the livestock pen

12-volt battery pack included (recharged by towing vehicle)

Extra storage shelf in indicator/printer cabinet for spare ticket rolls or EDI reader wand

Battery box and weight indicator cabinet feature toolbox latches to properly secure the lids and doors

HIGH-QUALITY COMPOSITE FLOORING

- ★ Predefined floor plank seams in the scale deck prohibit debris from compiling underneath.
- ★ High under-frame clearance (helpful in maneuvering through bumpy field terrain).
