

It's Made of Parts

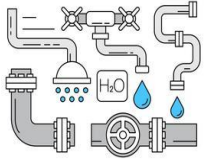

Listen to the story *How a House is Built*. As you hear about the different systems in the house, write or draw what parts help to make that system.

<p>Types of Houses</p> 	
<p>House Foundation</p> 	
<p>Plumbing or Septic System</p> 	
<p>House Frame</p> 	
<p>Roof</p>

Tour of School Notes Sheet

I saw evidence of the following parts that make up each system.

Plumbing

Electrical

Walls/Structure

Outside Grounds
