

Go Public rubric.

Poster Board Rubric

- Uniqueness..... 10 points
- Creative display..... 10 points
- Neatness..... 10 points
- Detailed and technical sketch..... 10 points
- Go Public* verbal presentation.....10 points

Written Design Proposal

- Technical explanation: The role of electronic components in your design consideration... 10 points
 - Discuss detailed theory
 - Discuss how the theory relates to your design
- Technical explanation: The role photonic energy plays in your design consideration..... 10 points
 - Discuss detailed theory
 - Discuss how the theory relates to your design
- Technical explanation: The role Photosynthesis and PS1 in your design consideration.....10 points
 - Discuss detailed theory
 - Discuss how the theory relates to your design
- Technical explanation: The role of redox reactions in your design consideration..... 10 points
 - Discuss detailed theory
 - Discuss how the theory relates to your design
- Limitations, pros and cons addressed.....10 points
 - Discuss detailed theory
 - Discuss how the theory relates to your design
