

Group and self-assessment grading sheet.

In each of the two categories, give a score (0–5) **and comment** on why the score is deserved.

Names (Your name first)	Comment on work completed and time spent (5 points) (1= negligible contribution, spent little time on tasks, relied totally on others. 5= went above and beyond on their part of the project)	Score	Comment on teamwork and attitude (5 points) (1= tardy, no enthusiasm held the team back. 5= went above and beyond, helped others, brought a positive attitude to the project, led by example)	Score	Total points
