

Troubling Tides
Part 3: Say It Isn't So

Name _____

1. Use the prompt below as the beginning of the first sentence of a constructed response. The response needs to be five to six sentences (25 points) and include four of the five following vocabulary terms: **sea turtle**, **inundate**, **sea-level rise**, **nest chamber**, **extinction**. (25 points)

It is predicted that sea-level rise will reduce critical habitat of sea turtles because:

2. Write a constructed response that disagrees or agrees with the prompt below. The response needs to be six to seven sentences and include a summary sentence at the end (30 points). Use four of the five vocabulary terms provided: inundation, nest chamber, storm surge, clutch.

Sea turtles may become extinct in the next 50 years because of sea-level rise.
