

Figure 2:

2. For each question, circle whether the choice affects an ecosystem service, either in a positive or a negative way. Then, explain what the impact will be, and how this might happen.

a. Build a power plant that uses coal.

Water Quality: Yes/No/I don't know	
Air Quality: Yes/No/I don't know	
Biodiversity: Yes/No/I don't know	

b. Build a train system for public transportation.

Water Quality: Yes/No/I don't know	
Air Quality: Yes/No/I don't know	
Biodiversity: Yes/No/I don't know
