

Research Scientist

Name _____ Date _____

Skype Event Wed. Dec 10 8:20-8:45 am (1st period)

<http://www.awi.de/en/science/research-program.html> (make sure you have the English version-upper right hand corner)

The Alfred Wegener Institute (AWI)

1. Link on the "About Us" title. Explain where the AWI primarily works and what their goals are.
2. What are the three things the research is focusing on at the institute?
3. Go to the **science** link. Find. What are the three main studies being done (summarize, don't copy)?
4.
 - A.
 - B.
 - C.
5. Go to Expeditions and summarize one of the five places the AWI makes observations.
6. Record 2 details about that type of observation. Being conducted, that you might ask Dr. _____.
