**STEM-IN-  
ACTION  
GRANT  
RECIPIENTS**

The AEOP **STEM-in-Action Grant** is awarded to five Regional Finalist teams selected by judges and based on the evaluation of the teams' proposed implementation plans. Each of the selected teams will receive an award of up to \$5,000 and be invited to the National Judging & Educational Event (NJ&EE) in June. Evaluation of **STEM-in-Action** awards is separate from the teams' overall project scores. The grants are awarded across all grades to the teams whose implementation plans prove that their projects provide the greatest possible impact within their communities.
