

EXHIBITOR WIRELESS INTERNET INSTRUCTIONS

To access the Exhibitor Wireless Service provided by Smart City Networks, please follow these instructions:

1. Connect to the wireless network named **Exhibitor Internet**.
2. Once connected to this network, **open up an Internet browser**.
3. You should be automatically redirected to the splash page, regardless of what your homepage is set too.**
4. If you are a returning user, or you have already been assigned an account, **enter your existing user name** in the *E-mail address* field and your **existing password** in the *Password* field and then **click Login**.
5. If you are a new user, select the wireless product (days) and **click Buy Now**. Exhibitor Internet access is \$79.99 for 1 day, 3 days at \$227.97 and 5 days at \$359.95 for each device/laptop with speed of 1.5 Megs up and down.
6. Once you **click Buy Now**, you will be taken to create an account.
7. Fill the appropriate information: Name, Email (Login), Password, Zip Code, # of Days and then **Click Next**.
8. You will now be taken to a secure website where you can complete the payment and billing information. Complete all the necessary fields, and then **click Purchase**.
9. Your information will be verified, and then you will be redirected back to the Exhibitor Internet homepage, where you can begin using the service that you purchased.

ATTENTION:

Exhibitor Internet is only available for devices that are 5 GHz compatible. 5 GHz USB wireless adapters can be purchased at the Smart City Service desk

If you have any problems, please contact our helpdesk at (888) 243-5685

** If you are not automatically redirected, check to see if you have <http://about:blank> or a corporate Intranet site set as your homepage. If you do, navigate your browser to any public site, such as <http://www.smartcity.com>, which should cause you to be redirected to the Exhibitor Internet splash page.

NOTE: Smart City Networks cannot guarantee the functionality of VPN client software with the Exhibitor Internet service.
