

NSTA IS YOUR BEST RESOURCE TO REACH SCIENCE TEACHERS AND ADMINISTRATORS

WHO WE ARE

Founded in 1944, the Arlington, Virginia-based National Science Teaching Association (NSTA) is the largest organization in the world promoting excellence and innovation in science teaching and learning for all. NSTA membership—approximately 50,000 strong, and representing more than 100 countries—includes science teachers; science supervisors; informal science educators; administrators; scientists; and leaders in business, industry, and government. Along with its members, NSTA's 58 state chapters, 33 associate groups, 9 affiliates, and nearly 100 student chapters work together to further promote and support quality science education.

OUR MISSION

NSTA's mission is to promote excellence and innovation in science teaching and learning for all.
