

SeaWorld Parks & Entertainment Outstanding Environmental Educator of the Year

Submit a short (less than five minutes) video nomination using YouTube include link, a one- two page program description/narrative double spaced character equivalent, describing your outstanding environmental science project by the deadline, December 10, 2020 using the on-line application at www.nsta.org/awards.

The narrative should include the following:

- Description of the project
- Number of students served
- Range of impact of project
- How you would use the money
- Length of time involved with the project
- Community support and awareness
