

# SCIENCE SCOPE

## Upcoming Theme

Does the following theme not fit your idea? Don't let that stop you from writing! We always make room for good manuscripts on any elementary science topic.

Issue: MAY/JUNE 2025

Theme: **My Favorite Lesson**

Deadline: **October 1, 2024**

Do you have a favorite lesson or activity? Science Scope readers are always eager to try new and engaging ideas, especially when provided with supporting documents such as lab sheets, handouts, differentiation tips, and assessments.

Share your ideas for

- Favorite lab activities
- Fun ways to get to know students at the beginning of the year
- Interesting lessons from any science discipline that engage students
- Strategies for utilizing “cool” science websites
- Educational field trips
- Ways to incorporate guest speakers into your teaching
- Educational games
- **Any engaging activity that you have used with students!**

### Audience

- Middle school teachers
- University faculty
- State and district supervisors and leaders

### Schedule

Six times a year

### Formats

Print and e-journal

### About the Journal

*Science Scope* is an award-winning, peer-reviewed, practitioners' journal. Subscribers are members of the National Science Teaching Association who select it as their preferred journal. We hope you will consider writing a manuscript for *Science Scope* to interest our readers and enhance middle school science teaching. NSTA offers no remuneration for published articles.
